30 Day Post-General Report (10/19/06 - 11/27/06)

Dear Ms. Lien:

I write today in response to your January 30, 2007 letter, wherein you seek clarification for several issues in reference to the above committee.

Firstly, your letter questions a discrepancy with regard to the electronic signature of the proper committee official. Please note that this incident was an inadvertent operator error during the electronic filing process. No changes have occurred to the committee Statement of Organization, nor are any changes pending, in connection with the treasurer on record. Today I amended the above report in order to correct this error.

Secondly, your letter indicates that this committee may have failed to file a 48 hour notice regarding "last minute" contributions received after the close of books for the 12-Day Pre-General Report. The 30-Day Post-General Report reflects the contributions in question as follows:

Law Offices of Fullerton, Lemann, Schaefer et al, \$1000.00, 10/26/2006  
Memo: Wilfrid Lemann (partnership attribution)

JPJ, LLC, \$1000.00, 10/30/2006  
Memo: Phil Sanchez (partnership attribution)

Please note that the 30-Day Post-General Report as well as the "last minute" reports electronically filed on October 28, 2006 (FEC Filing ID-253865) and on November 1, 2006 (FEC Filing ID-255930) properly reflect the receipt of these contributions. The committee did not receive separate individual contributions from either Wilfrid Lemann or Phil Sanchez.

Lastly, we have amended the report to indicate the committee used its "best efforts" to obtain the full identification
